INDIAN NAVY

YEARLY REVIEW 2021

Operational Deployment- Mission-Based Deployments

- Indian Navy undertook Mission-Based Deployments in Areas of Interest in the Indian Ocean Region (IOR) to safeguard national maritime interests and maintain continuous/near-continuous presence in areas of significant maritime importance in the IOR.
- These deployments were in consonance with Hon'ble PM's vision of 'Security And Growth for All in the Region (SAGAR)'.
- IN ships and aircraft were regularly deployed in the Gulf of Oman/Persian Gulf, Gulf of Aden/Red Sea, South, & Central IOR, off Sunda Strait, the Andaman Sea/approaches to Malacca Strait, and Northern Bay of Bengal.
- These deployments facilitated enhanced Maritime Domain Awareness, swift Humanitarian Assistance and Disaster Relief (HADR) assistance to IOR littorals, security to Indian and international maritime community, & operational engagements with friendly navies.

Operation SANKALP

- Amidst the increasing US-Iran tensions in the Gulf region, since Jun 19, IN has been undertaking Maritime Security Operation code-named Op SANKALP in the Gulf Region to ensure safe passage of Indian Flag Merchant Vessels (IFMV) transiting through the Strait of Hormuz.

- Since execution, IN has deployed 27 warships and escorted approximately 305 Lakh Tonnes of cargo onboard 375 IFMVs, thereby providing a sense of reassurance to our seafarers, and protecting Indian-owned hulls and the trade embarked on them.

Operation Samudra Setu II

- At the end of Apr 21, IN launched Operation Samudra Setu-II to augment the national mission for meeting medical oxygen requirements. Accordingly, ten IN warships were deployed for nearly two months and traversed more than 53000 nm (nearly 100,000 km) as part of Samudra Setu-II.

Operation Samudra Setu II

- These ships transhipped 1150 Metric Tons of Liquid Medical Oxygen and 319.40 KL Oxygen in cylinders along with other medical aid {23 Empty Oxygen containers (20 MT) and other critical medical aid like Oxygen concentrators (173), Rapid Antigen Detection (RAD) Test Kits (10,000), PPEs (450) and Ventilators (140)}.

Cooperation With Armies of Friendly Countries Oxygen Express

- INS Sharda and a hired Multi-Purpose Vessel, MPV Meghna from the Southern Naval Command were deployed as part of IN's initiative 'Oxygen Express' in Apr 21, to maintain supply of oxygen cylinders to island territories of Lakshadweep & Minicoy islands during the peak of COVID pandemic.

Mission SAGAR

- In response to requests from Friendly Foreign Countries and maritime neighbors, the Indian Navy undertook transshipment of Liquid Medical Oxygen (LMO) and other medical equipment onboard IN Ships to five nations in IOR and the South China Sea (SCS), under the overall ambit of Mission SAGAR.

Long Range Operational Deployments

- IN Ships Ranvijay, Kora, Shivalik, and Kadmatt were deployed on Long-Range Operational deployment to Southeast Asia and Western Pacific countries from August–October 2021. IN Ship Tabar was deployed for Long Range Operational deployment to Western Europe and Arctic countries to participate in Russian Navy Day Celebrations and conduct bi-lateral exercises with Royal Navy and Russian Navy from June–September 2021.

- IN Ships Kochi and Trikand were deployed on Long-Range Operational deployment to the Gulf region for the conduct of bilateral exercises with regional navies in August 2021. The ships of the first training Squadron were deployed for Long Range training deployment to Southern IOR countries viz Mauritius, Seychelles, Madagascar in March 2021 and Sri Lanka in October 2021.
