Ministry of Ports, Shipping and Waterways

- **Sagarmala Programme:** launched in 2015 it is an initiative by the government of India to enhance the performance of the country's logistics sector. The program envisages unlocking the potential of waterways and the coastline to minimize infrastructural investments required to meet these targets.

- **Maritime India Summit, 2021:** The Prime Minister on March 02, 2021, inaugurated the 'Maritime India Summit 2021' through video conferencing. The summit was organized by the Ministry of Ports, Shipping, and Waterways and conducted on a virtual platform from 2nd to 4th March 2021. 486 MoUs were signed for Maritime India Summit 2021 by 22 Maritime Ports/Agencies/Authorities for INR 3.39 lakh crore or USD 47.02 Bn across different subsectors. A compendium of 400 Investible Projects for INR 2.24 lakh crore or USD 31.08 Bn for investment was released for the Summit. During the three days of the summit, several important announcements were made.
- **Maritime India Vision (MIV) 2030:** MIV 2030 envisions an overall investment of INR 3,00,000 – 3,50,000 Cr across ports, shipping, and in-land waterways categories. This Investment amount excludes projects already under the implementation stage as part of the Sagarmala project. This vision roadmap is estimated to help unlock INR 20,000+ Cr worth of potential annual revenue for Indian Ports. Further, it is expected to create an additional 20,00,000+ jobs (direct and nondirected) in the Indian maritime sector.
- On 'Day of the Seafarer', which was virtually celebrated on 25th June 2021, the Shipping Corporation of India (SCI) was recognized and conferred with the prestigious National Maritime Day Celebration Award for the historic journey of M.T. - The **Marine Aids to Navigation Act, 2021** has been notified and published in the Gazette of India by Legislative Department, Ministry of Law & Justice on 2nd August 2021 after getting the President's assent on 31st July 2021. The Bill was passed by Lok Sabha on 22nd March 2021, and by the Rajya Sabha on 27th July 2021. The Act aims to replace over 90-year-old Lighthouse Act, 1927, to incorporate the global best practices, technological developments, and India's International obligations in the field of Marine Aids to Navigation. The new Act will facilitate harmonized and effective functioning of aids to marine navigation and Vessel Traffic Services along the Indian coastline.
- **Inland Vessels Bill, 2021:** Parliament on 02.08.2021 passed the Inland Vessels Bill, 2021, which aims to replace over 100 years old Inland Vessels Act, 1917 (1 of 1917) and usher in a new era in the inland water transport sector to make the Legislative framework user friendly and promote ease of doing business.
- A key feature of the Bill is a unified law for the entire country, instead of separate rules framed by the States.
- The certificate of registration granted under the proposed law will be deemed to be valid in all States and Union Territories, and there will be no need to seek separate permissions from the States.
- The Bill provides for a central database for recording the details of the vessel, vessel registration, the crew on an electronic portal.
- All non-mechanically propelled vessels will also have to be enrolled at the district, taluk or panchayat, or village level.
