Advisory For Indians in Ukraine: MEA

- India Tuesday advised its citizens, especially students, to leave Ukraine temporarily amid 'uncertainties' and also asked them to avoid non-essential travel to and within the country.
- A statement from the Embassy of India in Kyiv read: "In view of the uncertainties of the current situation in Ukraine, Indian nationals in Ukraine, particularly students whose stay is not essential, may consider leaving temporarily. Indian nationals are also advised to avoid all non-essential travel to and within Ukraine.
- **Why has the Indian Embassy issued this advisory?**
- The move comes amid concerns that Russia might invade Kyiv anytime soon. Though Moscow denies it has any plans to invade Ukraine, Russian President Vladimir Putin's forces have amassed well over 1,30,000 troops near the Ukrainian borders. The US has warned Russia of severe consequences if it does carry out the invasion.
- While the Indian Embassy in Kyiv's own estimates from 2020 says that there are about 18,000 Indian students, the Indian envoy at the UN last month put that number at 20,000 in Ukraine.
