PM Modi Dedicates 2nd Generation Ethanol Plant

- Prime Minister Narendra Modi dedicated to the nation the 2nd Generation (2G) Ethanol Plant at Panipat in Haryana through video conferencing.
- It is part of a long series of steps taken by the government over the years to boost the production and usage of biofuels in the country. It is in line with the Prime Minister's constant endeavor to transform the energy sector into being more affordable, accessible, efficient, and sustainable.
- The 2G Ethanol Plant has been built at an estimated cost of over nine hundred crore rupees by the Indian Oil Corporation Limited.
- The project will turn a new chapter in India's waste-to-wealth endeavors by utilizing about two lakh tonnes of rice straw (parali) annually to generate around three crore liters of Ethanol per annum. The project will also contribute to a

reduction of Greenhouse Gases equivalent to about three lakh tonnes of Carbon Dioxide equivalent emissions per annum.

Drone Service Technician Course

- The Government has started a short-term course namely 'Drone Service Technician' in 126 Industrial Training Institutes.
- It has been started across 19 States for the session 2022-23. In a written reply in the Lok Sabha, Minister of State for Skill Development and Entrepreneurship Rajeev Chandrasekhar said the drone sector is a shining example of significant growth of innovation and start-ups in the last few years.
- The Minister said six short-term skilling courses have been developed for manufacturing, assembly, repairing, and maintenance of drones as well as to meet the requirement of skilled manpower in the drone sector.
- Mr. Chandrasekhar said the course comprises ground classes and practical training.

Serena Williams Announces Retirement

- American tennis legend Serena Williams, the winner of 23 Grand Slam titles, has announced that she will retire from professional tennis.
- In an article for the Vogue Magazine, the 40-year-old star described her intention to finish her playing career as an evolution away from tennis.
- She explained that one of her biggest reasons for retirement is her intention to further expand her family.
- Serena has now set her eyes on the US Open which starts on the 29th of this month. It would be her last tournament.
- Serena Williams first major title was the 1999 US Open, when she was 17. She won her last Slam title at the 2017 Australian Open when she was eight weeks' pregnant with daughter Olympia.

Direct Assignments Of Spectrum For Setting Up CNPN

- Department of Telecommunication (DoT) will undertake demand studies for direct assignments of the spectrum to Enterprises setting up Captive Non-Public Networks (CNPN). Enterprises having a net worth of over 100 crore rupees and willing to set up CNPNs by obtaining spectrum directly from DoT are invited to participate in this exercise.
- DoT has now launched a module on Saralsanchar portal for carrying out the demand studies. The portal may be accessed at: <https://saralsanchar.gov.in>.
- CNPNs by obtaining spectrum directly from DoT are invited to participate in this exercise. The details can be submitted on the portal starting today till September 9 this year.
- Captive Non-Public networks can play a key role in developing industries by providing secure, ultra-reliable, low latency, and high throughput communication using advanced technologies. The government had earlier issued the Guidelines for CNPN license on 27th June this year, aimed at establishing the legal framework for CNPNs.
- The guidelines provide that the enterprises seeking to establish CNPN may obtain spectrum on lease from Telecom Service Providers or directly from DoT. These guidelines also provide that the Department of Telecommunications (DoT) will undertake demand studies for direct assignments of the spectrum to Enterprises setting up CNPNs.
