North Korea Law Allows For Nuclear First Strike, Makes Programme 'Irreversible'

- North Korea has passed a law allowing it to carry out a preventive nuclear strike and declaring its status as a nuclear-armed state "irreversible", Pyongyang's official media said.
- The announcement comes at a time of crumbling ties between the North and South, with Pyongyang blaming Seoul for the outbreak of Covid-19 in its territory and conducting a record number of weapons tests this year.
- The law will allow North Korea to carry out a preventive nuclear strike "automatically" and "immediately to destroy the hostile forces" when a foreign country poses an imminent threat to Pyongyang.
- Kim in July said his country was "ready to mobilise" its nuclear capability in any war with the United States and the South.
- He reiterated that Pyongyang would never give up the nuclear weapons it needed to counter hostilities from Washington, claiming the United States was seeking the "collapse" of his regime.
- Nuclear talks and diplomacy between Washington and Pyongyang have been derailed since 2019 over sanctions relief and what the North would be willing to give up in return.

At 2+2 Dialogue, Us-India Advance Ambitious Initiatives Across Defence, Other Areas

- Top US Defence and State Department officials co-chaired the sixth 2+2 Intersessional Dialogue with their Indian counterparts in New Delhi on September 7 and advanced an ambitious set of initiatives across the breadth of the bilateral partnership.
- The 2+2 Intersessional Dialogue advanced an ambitious set of initiatives across the breadth of the US-India partnership, including defence and security, science and technology, climate, public health, trade, and people-to-people ties.
- On the defence side, Assistant Secretary of Defence for Indo-Pacific Security Affairs Ely Ratner and his counterparts discussed a range of leading regional security issues, including recent developments in East Asia.
- "The officials also reviewed progress toward operationalizing major bilateral initiatives on information-sharing, defence industrial cooperation, and joint service engagements to support combined, multi-domain operations," they said.

Indian Warship INS Tarkash Arrives At Nigeria's Port Lagos

- Continuing with her deployment in the Gulf of Guinea, the naval vessel was welcomed by officials of the Nigerian Navy, the High Commission of India and children of the Indian Language School at the largest port of Nigeria.
- Alongside conducting professional interactions with the Nigerian Navy, the ship will also participate in ports fixtures and social engagements, the Indian Navy said. Both sides will interact to enhance interoperability, and best practices will be shared between the two nations' navies.
- During her port call, the ship will conduct professional interactions with Nigerian Navy to enhance Interoperability and share best practices between the navies. In addition, ship will also participate in sports fixtures, social engagements and will remain open to visitors to provide an opportunity to the Indian diaspora and locals to interact with her crew.
- In addition, she will also participate in ports fixtures and social engagements. The ship will also be open to visitors to provide an opportunity to the Indian diaspora and locals to interact with her crew.

IAF Chief Emphasises On Measures To Enhance Operational Readiness

- IAF Air Chief Marshal VR Chaudhari on Thursday emphasised the need for critical analysis and measures to enhance operational preparedness.
- He said this while addressing the Eastern Air Command's Commanders' Conference being held from September 7 to 9.
- He apprised the Commanders of the current security scenario, geopolitical situation and the role of IAF in dealing with various contingencies," IAF said. Air Chief Marshal Chaudhari highlighted the need for maintaining high operational readiness round the clock and retaining focus on capability enhancement.
- Indian Air Force (IAF) Chief Marshal Vivek Ram Chaudhari on Friday flew a sortie on a Rafale fighter jet as part of three aircraft combat training mission at Air Force Station Hasimara along with his son, Squadron Leader Mihir V Chaudhari. According to IAF, the sortie flown by Air Chief Marshal and his son is a continuation of the finest traditions of the IAF and underlines the importance accorded to grooming and preparing young leaders for the challenges of the future.
- Notably, the Air Chief Marshal on Wednesday also held a meeting with Assam Governor Jagdish Mukhi and Chief Minister Himanta Biswa Sarma. "Delighted to interact with Chief of Air Staff, Air Chief Marshal Vivek Ram Chaudhari.

Discussed various issues related to national security, especially in North-East. Extended my gratitude on behalf of the people of Assam towards IAF for selflessly serving the country," the Chief Minister said.

India, China To Dismantle, Verify Temporary Structures In Gogra-hot Springs Area Of LAC: MEA

- India and China have agreed to dismantle and verify the temporary structures and other allied infrastructure created in the Gogra-Hot Springs (PP-15) area of the LAC in Ladakh, the Ministry of External Affairs (MEA) said on Friday.
- This comes a day after Indian and Chinese troops in the Gogra-Hot Springs area started to disengage in a coordinated and planned way. In response to a media

query, MEA Spokesperson Arindam Bagchi said the disengagement process in the area will be completed by September 12.

- "With the resolution of the stand-off at PP-15, both sides mutually agreed to take the talks forward and resolve the remaining issues along LAC and restore peace and tranquillity in India-China border areas“.
- Last month, the Indian and Chinese armies held a Division Commander-level meeting where they discussed matters pertaining to maintaining peace and tranquillity along the Line of Actual Control in the Ladakh sector.
- Earlier, India and China held talks in the Chushul sector to address the air space violations by the Chinese Air Force where India warned the Chinese against any misadventure.

Army's Western Command-NTPC Ink Long-term Pact To Use Solar Power

- The Army's Western Command (WC) and the National Thermal Power Corporation (NTPC) signed a long-term Power Purchase Agreement (PPA) on Thursday, under which it will draw 25 Megawatts of solar power directly from the National Solar Grid of the country.
- "In a de-novo approach, the WC has signed a long-term PPA with NTPC (RE) to draw 25MW solar power directly from the National Solar Grid of the country for the next 27 years“.

- NTPC Limited, formerly known as National Thermal Power Corporation Limited, is an Indian public sector undertaking that is engaged in generation of electricity and allied activities. The headquarters of the company is situated in New Delhi.
- **Founded:** 7 November 1975
