India-Africa Business Conclave

- **Vice President of Zimbabwe**, Constantino Guveya Dominic Nyikadzino Chiwenga, has arrived in New Delhi. He will attend the **19th CII India-Africa Business Conclave**.
- **Confederation of Indian Industry (CII)** in partnership with Ministry of External Affairs and Ministry of Commerce and Industry, Government of India initiated the Africa Conclave on **India-Africa Partnership in 2005**.

- Since inception, the Conclave has emerged as one of the largest congregations of senior ministers, policy makers and business leaders from Africa and India, cutting across sectors.
- Over the years, the Conclave has witnessed participation of over **10000 African and over 8500 Indian delegates**.
- The Conclave has also hosted over 500 senior Ministers, including heads of states from Africa.

- The **19 th edition of the Conclave** will aim to serve as an instrument for Africa’s growth and the role of India-Africa partnership in regional and global value chains integration.
- Besides bilateral, trilateral, and regional discussions, the **Conclave will focus on some of the key areas of partnership** and emerging opportunities in Agriculture Food Processing, Defence, Digital Partnership, Financial Partnership, Healthcare Pharmaceuticals, Infrastructure, Power and Energy, Quality Ecosystem, Skill Capacity Development, and others.

International Earth Sciences Olympiad

- A team of Indian students has **secured three gold, two silver and three bronze** medals at the **17th International Earth Sciences Olympiad** held in China’s Beijing.

- The **four-member Indian team comprising students** from Gujarat, Kerala, Chhattisgarh, and Rajasthan have won these medals in three different categories including Earth System Project, and International Team Filed Investigation.
- The International Earth Science Olympiad is a student-centric program **facilitated under the REACHOUT** (Research, Education, Training, and Outreach) scheme of the Ministry of Earth Sciences.

Project To Combat Microplastic Contamination In Food

- **Food Safety and Standards Authority of India (FSSAI)** has launched an innovative project to tackle the growing concern of **microplastic contamination in food** in New Delhi.

- Recognising **microplastic pollution** as an emerging threat, the project was started in March this year to develop and validate analytical methods for **detecting micro and nanoplastics** in various food products.
- FSSAI said the **primary objectives of the project** include developing standard protocols for micro- and nanoplastic analysis, conducting intra- and inter-laboratory comparisons, and generating critical data on microplastic exposure levels among consumers.

- In a recent report, the Food and Agriculture Organisation has highlighted the **presence of microplastics in common food items** such as sugar and salt. The food safety regulator of the country, FSSAI, says it is committed to ensuring that Indian consumers have access to safe and healthy food.

Six New Parliamentary Committees

- Lok Sabha speaker on, named the constituents of the six new Parliamentary Committees including the **Public Accounts Committee (PAC)** which examines government expenditure. Ganesh Singh, BJP MP from Satna, Madhya Pradesh has been appointed as the chairperson of the Committee on Welfare of Other Backward Classes.

- **Six New Parliamentary Committees** for 2024-25
- Public Account committee
- Committee on Public Undertakings
- Committee on Estimates
- Committee on Welfare of Scheduled Castes and Scheduled Tribes
- Committee on Welfare of Other Backward Classes
- Joint committee on Office of Profit

Paetongtarn Shinawatra

- **Paetongtarn Shinawatra** was elected as Thailand's youngest prime minister at the age of 37. Her election came after the **dismissal of Srettha Thavisin**, marking a major change in Thailand's political scene amid ongoing instability.

- **Paetongtarn is the daughter of Thaksin Shinawatra**, a highly influential and controversial figure in Thai politics. She is the third member of the Shinawatra family to become prime minister, following her father and her aunt, Yingluck Shinawatra.
- **Thailand, formerly known as Siam**, is unique in Southeast Asia for never having been colonized by a European power.
- It is home to the **world's largest golden Buddha** statue, weighing over five tons, and has the longest-reigning monarchy, with King Bhumibol Adulyadej serving for 70 years.

Electric Microcar “Robin” in 2025

- **Indian automobile industry** will soon see a new addition—a tiny electric car called the **Robin**. This new car is designed to make personal travel easier and greener, and it's expected to help reduce city traffic congestion.

- The car is created by a startup called **Wings EV**, founded by Pranav Dandekar and his father Prakash. It's set to launch in **Bengaluru in April 2025**.

- **Robin is a small, two-seater electric vehicle (EV)** that is very easy to maneuver, much like a motorbike. It has passed strict safety tests conducted by the Automotive Research Association of India (ARAI) in Pune, ensuring it meets high safety standards.
- **Robin will come in three versions:** Basic Model: No air conditioning, with a range of 65 kilometers per charge, priced at ₹2 lakh. Mid Variant: Includes air conditioning and a range of 90 kilometers per charge, costing ₹2.5 lakh. Premium Variant: Features air conditioning, a 90-kilometer range, and additional safety features, priced at ₹3 lakh.

‘First Policy Makers’ Forum’

- Union Minister of Health and Family Welfare & Chemicals and Fertilizers, **Shri J.P. Nadda** inaugurated the **‘First Policy Makers’ Forum’**.
- To elevate India's position in the global pharmaceutical sector, the **Indian Pharmacopoeia Commission (IPC)**, in collaboration with the Ministry of Health & Family Welfare and the Ministry of External Affairs, hosted an international delegation of policymakers and **drug regulators from 15 countries**.

- The forum featured the launch of innovative digital platforms for pharmacopoeia and drug safety monitoring.
- Underscoring India's commitment to **expanding the global recognition** of the Indian Pharmacopoeia (IP), the forum witnessed participation from various countries including Burkina Faso, Equatorial Guinea, Ghana, Guyana, Jamaica, Lao PDR, Lebanon, Malawi, Mozambique, Nauru, Nicaragua, Sri Lanka, Syria, Uganda and Zambia.
- **The forum aims to foster meaningful discussions** on the recognition of the IP and the implementation of India's flagship Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP), popularly known as the **Janaushadhi Scheme**.

- A key highlight of the event was the launch of two significant digital platforms by the Hon'ble Minister of Health and Family Welfare and Chemicals &

Fertilizers —the **IP Online Portal** and the **Adverse Drug Reaction Monitoring System (ADRMS)** software.

- **IP Online Portal** represents a major step towards digitalizing the Indian Pharmacopoeia, making **drug standards more accessible** to stakeholders worldwide. This initiative aligns with the Government of India's commitment to **promoting environmentally friendly solutions** under the '**Digital India**' campaign.

- **ADRMS software**, developed as part of the Pharmacovigilance Programme of India, is **India's first indigenous medical product safety** database tailored to the needs of the Indian population. It facilitates the collection and analysis of adverse events related to medicines and medical devices, thereby significantly strengthening the country's pharmacovigilance infrastructure.

Flagbearers For Opening Ceremony

- Tokyo Paralympics gold medalist **Sumit Antil** and shot-put star **Bhagyashri Jadhav** will be flagbearers of Indian contingent at the opening ceremony of the Paris Paralympics.
- In Paris Paralympics, **84 athletes will represent India**. This is the country's largest-ever contingent in a Paralympic games. **A total of 54 athletes** had represented the country in Tokyo Paralympics.

- Sumit is a reigning Paralympic champion in the **men's Javelin Throw F64 category**. On the other hand, Bhagyashri won a silver medal in the **shot put F34 category** at the 2022 Asian Para Games and finished seventh at the Tokyo Paralympics.
- She also won silver in Women's Shot Put F34 at the Para-Athletics World Championships in May this year.
