BSF Seeks Additional Manpower For Drone

- The force currently has about 20 battalions to guard the more than 500-kilometre-long front, out of which 18 are "actively deployed" at the border while the rest are mobilised in view of the requirements at the Attari integrated check post in Amritsar and the Kartarpur corridor at Dera Baba Nanak in Gurdaspur district.
- The drone menace that started around 2019-20 along this front is dominant in the border districts of Amritsar and Tarn Taran. One more Border Security Force (BSF) battalion has been sought to better secure the Punjab border, a senior officer told PTI.
- The request is under "active consideration" of the Union home ministry, he said.
- Atul Fulzele, inspector general for the BSF's Punjab Frontier, had recently said that all the drugs from across the Pakistan border was coming into Punjab through the air route via drones against the earlier land route.
- According to official data, more than 120 drones have been recovered by security agencies at the front this year so far, as compared to 107 such seizures made during the entirety of 2023.
- The force, according to officials in Punjab and Delhi, also wants to add more troops to effectively guard the riverine areas along the Punjab front.
- As many as 48 culverts are being constructed over the Ravi and the Sutlej rivers along the Punjab border, out of which work on 25 is complete.

Indian Navy's Frontline Warship 'Mumbai' Docks In Sri Lanka

- Indian Naval Ship 'Mumbai' is on a three-day visit to the island nation, the Sri Lanka Navy said in a press release.
- The 163-metre-long Destroyer, which is manned by a crew of 410 members, was welcomed by the Sri Lanka Navy in compliance with naval traditions.
- Meanwhile, three Chinese People's Liberation Army Navy warships -- "HE FEI", "WUZHISHAN" and "QILIANSHAN" -- also arrived at the port of Colombo on a formal visit on Monday morning, the Sri Lanka Navy said.
- INS Mumbai will engage in a **Passage Exercise (PASSEX)** with a Sri Lanka Navy ship off the coast of Colombo upon its departure on August 29.
- The indigenously built INS Mumbai was commissioned into the Indian Navy on January 22, 2001. Its visit is the eighth port call in Sri Lanka by Indian ships this year.

IIT-Kanpur To Host India's Largest Unmanned Aerial Systems Testing Facility

- In a groundbreaking collaboration, EndureAir Systems has emerged as the sole private entity partnering with five DPSUs to establish a state-of-the-art Unmanned Aerial Systems (UAS) testing facility at IIT Kanpur. This Rs. 60 crore project, part of the Defense Testing Infrastructure Scheme (DTIS), aims to create the largest dedicated UAS testing center in India.
- The Ministry of Defense (MoD) has formalized this partnership through a Memorandum of Understanding (MoU) to develop advanced testing facilities within the Uttar Pradesh Defense Industrial Corridor (UPDIC).
- The five DPSUs (Defense Public Service Undertaking) involved are Hindustan Aeronautics Limited (HAL), Bharat Electronics Limited (BEL), Gliders India Limited (GIL), Yantra India Limited (YIL), and Bharat Earth Movers Limited (BEM).
- The establishment of these state-of-the-art testing facilities will drive technological advancements and provide essential infrastructure for testing and refining specialized defense technologies, especially Unmanned Aerial Systems (UAS).
- Launched by Defense Minister Rajnath Singh in May 2020 with an allocation of Rs 400 crore (\$50M), the Defense Testing Infrastructure Scheme (DTIS) aims to establish state-of-the-art testing facilities in collaboration with private industry and central/State Governments.

443-km India-Bangladesh border in Meghalaya is fully secure: BSF

- The Border Security Force (BSF) on Monday said the 443-km India-Bangladesh border in Meghalaya is fully secure and denied claims of illegal entry by Bangladeshi nationals.
- The paramilitary force issued a statement after the media in the neighbouring country reported that Awami League leader Ishak Ali Khan Panna died of heart attack while climbing a hill in Meghalaya's Dawki in an attempt to flee his country. Dawki, in Meghalaya East Khasi Hills, is located close to Bangladesh.
- The BSF has contacted the assistant high commission of Bangladesh in Assam regarding the matter. "The assistant high commission of Bangladesh has confirmed that they have not received any official information concerning Panna's death near the border area as of now," the BSF spokesperson added.

Raksha Mantri Shri Rajnath Singh visits Naval Surface Warfare Centre in US

- Raksha Mantri Shri Rajnath Singh, as a part of his ongoing tour to the US, visited the William B Morgan Large Cavitation Channel (LCC) in the Naval Surface Warfare Centre (NSWC) at Memphis, Tennessee. The LCC is one of the world's largest and most technically-advanced water tunnel facility for testing submarines, torpedoes, naval surface ships and propellers. The Raksha Mantri was briefed at the facility and he witnessed an actual tunnel experiment.
- Shri Rajnath Singh was accompanied by Ambassador of India to US, Director General, Naval Operations from the Indian Navy and DRDO Defence Technology Counsellor, among others. He was received by the US Deputy Under Secretary of the Navy for Policy, and briefed by Commander and Technical Director of the NSWC.
- The discussions also intend to support the ongoing proposal for establishment of similar facility for indigenous design and development in India.
