International Dyslexia Awareness

- In a step towards spreading awareness about Dyslexia, the **Rashtrapati Bhawan, Parliament, India Gate and other government offices** have been lit red.

- This **happens every year in October**, which is International Dyslexia Awareness Month.
- The campaign aims to raise awareness, reduce stigma and eliminate discrimination around the disease. To amplify the message of inclusion, the **walk4Dyslexia was also** organized from Vijay Chowk to India Gate.
- This walk symbolizes collective action for **Act4Dyslexia**, emphasizing the need for equal opportunities and support for individuals with learning disabilities.

Surface dyslexia

Symptoms

- Limited sight vocabulary
- Confusion with letters that differ in orientation (b-d, p-q)
- Losing one's place
- Omitting letters and words because they weren't visually noted
- Difficulty recalling the shape of a letter when writing
- Spells phonetically but not bizarrely

Causes

- Visual word form area (VWFA) does not function properly.
- Confusion of letters that differ in orientation is also located in the VWFA.
- Cognitive skills that support this part of the brain are visual processing, visual memory, and rapid recall.

Treatment

- Development Tutor PLUS Live Tutor
- Reading Tutor

Sohrai Painting From Hazaribagh

- Prime Minister Narendra Modi gifted Jharkhand's art to Russian President Vladimir Putin during the recently held BRICS summit in Kazan. The **Sohrai painting from Hazaribagh district** in Jharkhand is a beautiful representation of the region's indigenous artistic traditions.
- **Sohrai Paintings are recognized as an ODOP**, One District One Product item. The paintings are known for their use of natural pigments and simple tools. Artists often use brushes made from twigs, rice straw, or even fingers to create intricate designs.

- **The depiction of animals, birds, and nature** is a reflection of the agrarian lifestyle and the reverence for wildlife in tribal culture.
- During the BRICS summit, Mr Modi gifted exquisite work from Maharashtra to the leaders of Iran and Uzbekistan. He gifted to the **President of Iran**, a **Mother of Pearl Sea Shell Vase**, which is a masterpiece of coastal craftsmanship. In Maharashtra, especially in its coastal regions, artisans have honed the art of crafting exquisite items from sea shells, creating unique and luxurious pieces like this vase.

- **To the President of Uzbekistan, Prime Minister** gifted a **Warli Painting** also from Maharashtra. It is a tribal art form originating from the Warli tribe primarily located in the Dahanu, Talasari and Palghar regions of the state.

- It is renowned for its simplicity and deep connection to nature and daily life. **This tribal art form is one of the oldest in India, with its roots tracing back to around 3000 BCE.**

- The art was traditionally created by **Warli women on the walls of their mud homes** during special occasions like weddings and harvest festivals. Through their art, they documented their lifestyle, customs, and rituals in a visual storytelling format that transcended language.

World Justice Project

- **Pakistan has been ranked 140 among 142 countries** in the World Justice Project (WJP) Rule of Law Index regarding order and security, making it the third worst country in the world.
- **Mali and Nigeria are** the only countries ranked lower than Pakistan in terms of law and security. **India stands at 98 out of 142 countries.**

World Justice Project

- **Denmark has secured first rank, followed by Norway, Finland, Sweden, and Germany** in terms of law and order. India stands at 98 out of 142 countries.

- According to a recent **report published by the WJP** has evaluated countries based on **different factors, including** constraints on government powers, absence of corruption, open government, fundamental rights, order and security, regulatory enforcement, civil justice, and criminal justice.

India's First Writers' Village

- **Ramesh Pokhriyal Nishank**, former Chief Minister of Uttarakhand, will inaugurate a unique initiative called '**Writers' Village' (Lekhak Gaon)** near Dehradun.
- This event marks an important cultural milestone in India, aiming to **celebrate literature and creativity**. The Writers' Village is situated 24 km from Dehradun. It is the first of its kind in India.

- The village aims to provide a **dedicated space for writers and artists** to gather, create, and collaborate. Nishank's vision is to encourage a community that nurtures literary and artistic talent.
- The ceremony will kick off a **three-day International Literature, Art, and Culture Festival**. Writers, artists, and cultural figures from over 65 countries will attend the festival.
- Notably, **40 countries will have representatives present** on-site. This international gathering aims to create a platform for cultural exchange and collaboration.

- The festival will **include 30 sessions**. These sessions will cover various topics such as writing techniques, cultural discussions, and the relationship between nature and art.
- The diverse programme aims to engage participants and promote creative dialogue. Nishank revealed that the **concept of the Writers' Village was inspired by the late Prime Minister Atal Bihari Vajpayee**. He expressed concern over the lack of respect for writers in India. Nishank aims to address this issue by creating a space where writers can thrive.
- The Writers' Village seeks to **become a hub for literary and cultural activities**. It aims to host regular events, workshops, and residencies for writers. Nishank envisions a **vibrant community that will elevate** the status of writers in India and beyond.

Global Nature Conservation Index

- **India ranks 176th in the Global Nature Conservation Index (NCI) 2024**, with a score of **45.5 out of 100**. This places India among the **five worst performers** globally, alongside Kiribati, Turkey, Iraq, and Micronesia.
- The NCI was released on October 24, 2024, and assesses conservation efforts across 180 countries.

- The NCI is a new tool that **evaluates conservation efforts** using four key markers:
- Land Management
- Threats to Biodiversity
- Capacity and Governance
- Developed by the **Goldman Sonnenfeldt School of Sustainability and Climate Change** at Ben-Gurion University and BioDB.com, the index aims to provide a clear analysis of each country's conservation strategies. It helps governments and organizations identify issues and improve their conservation policies.

- **India's low ranking is primarily due to poor land management** and increasing threats to biodiversity. The country has converted 53% of its land for urban, industrial, and agricultural use. The NCI marks several problems:
- **High Pesticide Use:** This contributes to soil pollution.

- **Sustainable Nitrogen Index:** Currently at 0.77, indicating a need for improvement in soil health.

Tropical Storm Trami

- In Philippines, the death toll from **Tropical Storm Trami** has reached **90**, with 36 individuals still missing due to severe flooding and landslides across the country.
- **National Disaster Risk Reduction and Management Council (NDRRMC)** said, search efforts continue for the missing. The Philippine Coast Guard reports that over 8,000 people were stranded at seaports.

- **Trami is the 11th typhoon** to strike this year that has affected over 5.7 million people across 16 regions and primarily in Bicol and Calabarzon areas of the Luzon island. The archipelago experiences an average of 20 typhoons annually.
