## 09 June 2026

### Bonn Climate Conference 2026

- The Bonn Climate Conference 2026 (SB64) kicked off with the renewed calls for stronger climate action and increased financial support for the vulnerable nations.
- Several health experts and climate advocates have urged the governments to triple a public adaptation finance to at least \$120 billion by the year 2035 and warned that the inadequate funding could weaken the health systems and increase climate-related risks.
- The Global Climate and Health Alliance (GCHA) have called on the governments to significantly increase the public and grant-based adaptation finance.
- It has proposed raising adaptation finance to at least \$120 billion annually by the year 2035 which is nearly three times the existing target which was established at COP26.
- According to the health advocates increased adaptation funding is essential to protect the vulnerable populations from the worsening impacts of the climate change.
- Under the framework of United Nations Framework Convention on Climate Change (UNFCCC), 64th Sessions of the Subsidiary Bodies (SB64) to be held.
- The conference is taking place in Bonn, Germany from June 8 to June 18, 2026.
- SB64 serves as the mid-year negotiating platform where countries discuss the technical and policy issues before the annual Conference of Parties (COP).
- The outcomes of the Bonn discussions will also help to shape negotiations at COP31 scheduled to be held in Antalya later this year.
- A major theme of the Bonn negotiations is the concept of the **“Just Transition.”**

## Bharatiya Vidya Bhavan Elects New President

- Punjab Governor Banwarilal Purohit appointed as the President of the Bharatiya Vidya Bhavana and along side with him Deepak Parekh as its Vice-President. It is the India's most respected educational and cultural institution.
